

Seven Stages of Overcoming – Part 5 of 7

For the message about the overcomer, we will go to chapter 3 of Revelation. We will just make a few remarks on the ending of chapter 2, the promise for those who overcome under the difficult circumstances of the Thyatira church. God says in verse 26, ***And he that overcometh, and keepeth my works unto the end, to him will I give power over the nations: 27And he shall rule (shepherd) them with a rod of iron; as the vessels of a potter shall they be broken to shivers: even as I received of my Father. 28And I will give him the morning star. 29He that hath an ear, let him hear what the Spirit saith unto the churches.***

We notice here that God is saying that those who overcome in this church, under these severe conditions, will have Jesus Christ in the middle candlestick of the lampstand. Jesus will be standing in them as part of them. He said He will give them the morning star, and Jesus is the morning star.

Now, there is something else here that I want to bring to your attention, before we go on to chapter 3. I'm going back to verse 25, ***But that which ye have already hold fast till I come.*** There is a certain amount of tenacity that the children of God must have, to hold on to what God has given them. If you don't have that ability to hold what God has given you, the world will take it away from you. But I want you to understand that in every circumstance, no matter how bad it is, God is creating a people that will be an overcomer company.

We think of Brother Wurmbrand. I don't know if you ever heard of Wurmbrand? When he was in a Communist prison camp, they took wires and wired his brain and fed Communist doctrine into his mind. Remember now, your mind is that seat of Christ that God ministers to in order to minister to the man. When they thought that they had fully indoctrinated him with Communist doctrine, they took off the wires. Brother Wurmbrand said that he felt like his brain was shattered. He was half conscious, but all he could say was, "Jesus, Jesus, Jesus, Jesus..." The Communists had lost. Their experiment had been destroyed.

God is creating a new man within us, and if we follow the leading of the churches around us, then we will be rejected by CHRIST. What He said in this passage of scripture is that if we follow on, and hold fast that which He has given us, then God will say, "This is the type of man that I want to rule and reign with Me."

To the church world today, this is like a fable. As far as the Catholic Church is concerned, Jesus is already come. Their Jesus is sitting on the throne of Rome right now. As far as we are concerned, our Jesus IS COMING! Now, Jesus is coming in two different dimensions. Jesus is coming in the church like a thief in the night. Let me explain something here.

Jesus is coming, I said, but He said, ***lo, I am with you alway*** (Matthew 28:20). So if He is coming, and He is with us always, WHERE IS HE COMING? All right, we know where He is coming from. The first circle is the Father. Now, He has a way that He is coming. He is coming through the Son (the second circle), and we call Him Yeshua. But Yeshua is coming through the Holy Ghost (the third

circle), and we call Him *Paraclete* (Strong's G3875, John 16:7 as *Comforter*). Is that right, brother? I purposely used a language that everybody is supposed to know. Now, where is He going?

The scripture says Jesus Christ will appear in His temple (Malachi 3:1). So Jesus will probably come in Jerusalem then. What do you think about that? He *will* come in Jerusalem, but not the Jerusalem in the geographical place called Israel. So, if you are talking about this Jerusalem (inside us), then He is coming in Jerusalem. Now, the church is thrown off completely, because you know what they say? They say that they will have to go to Jerusalem, Israel, they will have to fight with the Arabs, they will have to blow up the mosque of Omar, they will have to build a temple, and then Jesus will be able to come into the temple. It is a wrong idea.

Jesus is coming IN HIS TEMPLE, sitting right here before me. Yes. He starts coming in your spirit; next He will come in your soul; next He will come in your body; finally He will come in the world. So the process of Jesus coming is that we must see Him first, because He is coming in the spirit, in the soul, and then in the body.

Now, how far has He gone? Jesus is fully come in the spirit. Now, if He is in the spirit in His fullness, then the spirit is perfect. Have you ever heard of someone who was in the Spirit who made a mistake? So then, Jesus is in you in His perfection. So, if Jesus is in me in His perfection, why do I sometimes fall into error? Because I am a particle person. I have a deception about me. I am standing before you, and you say, "Cecil duCille is a black man." You are wrong! If you say, "Cecil duCille is 6 feet plus."

You are wrong. You can describe me and you are dead wrong, because inside of me I am a soul that you cannot see. That means although one part of me is physically here - I can hit the floor with my foot, and you can hear it - there is another part of me that is ethereal, that is spiritual, and you can't see it. It is in a different realm. It is on a different frequency. You electronic geniuses should know what I am talking about.

So far, we have defined Cecil duCille as being on two frequencies. I am on one frequency in my spirit. I am in another frequency in my soul. AND I am on another frequency in my body. You notice that I didn't write a #2 here in the drawing of the soul. Does anybody know why I put a #1 by the spirit, but I didn't put a #2 by the soul? The reason why I didn't put a #2 here is because my soul is on more than one frequency. Watch it, now.

My soul can think. Does everybody understand what "think" means? My soul can enter a frequency where it meets the Spirit. It is a thinking, calculating being, entirely different from my body. So we call that part MIND. My soul has a frequency that is called MIND. That is #2.

Then there is another frequency that my soul is on, and that is the EMOTIONS. What do the emotions do? They feel. They are alive. They feel certain things. They love. They hate. Do you follow what I mean? So you can sin with your emotions, as well as with your mind. So this is #3.

There is another frequency that we call the WILL and this is #4. So my soul has a WILL and it can decide to do so and so and it holds on to it. And my soul has DESIRES, #5.

Now, if Jesus is coming, He is coming in your mind and He will have to take charge of your emotions, He will have to take charge of your will, and He will have to take charge of your desires. So far, He has come in the mind. When He takes charge of the emotions, it will be an entirely different realm altogether. So what God did was He gave you a body, and the body is going to manifest the soul. When I think, you don't see my thinking but the thinking manifests through the body, so I begin to do what I am thinking. Then I feel something: I feel heat; I feel cold; I feel happiness; I feel sadness. We see people start to sing, "I will rejoice in Thee and be glad..." What are they doing? They are expressing something that is in the emotions, in the mind. So, the expression is actually in a whole different realm of feeling. God created five basic senses in the body. I believe that you have many more senses than five.

But suddenly I am here, and I look up and start looking. You, looking at me, would say, “What is Brother duCille hearing?” I’m hearing something, but a sound is on a frequency that you cannot see. You cannot see a sound. You cannot smell a sound. So God gave you the sense of smell, so that you can smell something that you can not see and that you can not hear. I mentioned feeling already, but you can not feel a smell. You can not feel a sound. Do you know what we are talking about? God made you on different frequencies. You are living in several different worlds. You alone are living in several different worlds at the same time. All of those come together into one being, and God calls it your heart, because in that heart you are going to think, you are going to feel, you are going to hear, you are going to see, and you are going to make a decision.

So now, where is Jesus coming from? Where is Jesus going? He is coming out of God, out of Heaven. I don’t know if you understand what God did by sending Jesus. If God were to face you coming into this room, we would all be dead. His power and His glory is too much for the physical man - the body would melt away. I will give you an idea. Man has brought light to a purity that he calls a laser. A laser is just a beam of light that man has purified. Now, this light in the ceiling is full of darkness. There is more than 90% darkness in that light. That is the reason that we can stand it. If that was pure light, we would be all dead. So, do you understand where we are coming from now? God is therefore saying to us that He is coming to us, but He has to come through a channel where we can bear it.

The first man that came forth with the nature of God was called Seth. Now, from Seth, men began to call upon the name of the Lord. Tonight I heard you calling the name of the Lord, and as you called the name of the Lord in song, there was a certain energy that went forth in the Body. Now, those of you who were smart began to swallow it, supping on the energy, opening your hearts to God so that energy would come in.

Now, God is coming down from God down to here. He made Adam, and the seventh man from Adam was Enoch. Enoch got into a groove with God. I do not know if you will be able to understand this, but he got into a place with God where he began to walk with God. He began to call upon the name of Jehovah and he began to say, “Yahweh, come. Come to me!” Hear me now, brethren. God got into the man’s mind, and God took charge of the man’s mind so that his body became subject to his mind. I do not know if it is hard for you to understand this, but if you search the scriptures, you will find that some of the men of God got God into them so much that God would move them from one place to another without going through time and space.

We had one terrible time in coming here. The first plane that we were to take broke down. Something happened to the second one and they had to fix it. We spent six hours sitting down in the airport in Paris. We finally got a plane that brought us to Prague. Brethren, we don’t have what Elijah had. If we had what Elijah had, we would have just moved off to Prague. Since it was the will of God, we would have been in the West Palm Beach airport, and all of a sudden we would have appeared in Prague. We would not travel through space like how Superman would fly. Space and time would give way to us and we would disappear from one place and appear in the other place. Now, that is the power that God is putting into your body. The day will come when you will not need transportation. This is the power of the immortal life that God is putting into you.

So I am giving you a little idea. The man Enoch began to walk with God, and he was so absorbed into God that his wife... Remember, he was a natural man, he had a wife and he had children. But when he was 365 years old, he was the same age as the days of our solar year. A year is the time it takes to go around the sun one time. It carries a special meaning that on the day of his 365th birthday the man went into the heavens with his body.

I have had many fasts, like for 40 days, or for 21 days. You remember the time when I almost ate up the cow I was so hungry. After I had broken that fast, I felt like I had committed a crime. I started another fast immediately. I stopped eating immediately. I was praying on the floor, kneeling down before the bed to pray and I got into a groove! When I tell you about Enoch, I can understand a little idea of what

happened to Enoch. I started to praise God, and brethren, it was like a bull bellowing. I was on the farm and the people used to hear when the bulls cried out. I was crying out, “Hallelujah!” People started gathering around the house. I was in my little house calling upon the name of God. I lost myself completely and couldn’t come out of it. So for over an hour, I was bellowing, “Glory to God! Hallelujah!” Then my head began to hit something very hard. BOOM! “Hallelujah!” BOOM! “Hallelujah!” BOOM! “Hallelujah!” Hitting my head kind of brought me back to myself, and when I came back to myself, my forehead was hitting the ceiling. How I got up there I don’t know, and how I got down I don’t know. But the moment that I came to consciousness and got frightened that I was up on the ceiling, I was back on the floor.

I’m saying Enoch walked with God and Enoch was not because God took him (Genesis 5:24). That is what his wife must have said because nobody ever saw Enoch again. Now, I am saying this that you can understand that the coming of Jesus within the temple of the living God, which is your body and soul, is a process that is going on right NOW. When you do anything wrong now, or sin, you hinder the process. You set back God in you.

So, God made a righteous generation. From Seth, it came right down through Noah, through Abraham, through David to Jesus. Hallelujah! Do you see the process and the trouble that God went through to bring forth Mary? He wanted one little girl and it started from way up there with Enoch. This girl had a pure mind. She wanted God. Just a pure mind, a pure human being that wanted God. Through God’s plan, He brought forth Mary.

So, God only made two men, you know? He made Adam and He made Jesus. He dipped into His bosom and He took a seed of man out of God Himself. He sent an angel to Mary and Mary said, “Let it be done unto me, Lord” (Luke 1:38). I want you to understand how God works. YOU have to accept it! Mary had to accept the position that God had made her for. You remember that song that says, “I was born to be Thy dwelling place, a home for the presence of the Lord. So let my life now be consecrated unto Thee, that I might be what I was born to be.” When Mary said, “Let it be done,” the angel left. Do you know why? No angel could inseminate the woman. No preacher will give the seed of Christ to the bride. God Himself came. The Holy Ghost overshadowed her. The Bible didn’t say that He put her to sleep like He put Adam to sleep, but into her womb He planted the Seed of the new-creation Man. Hallelujah! Hallelujah, brethren! Hallelujah! He planted the Seed of the new-creation Man into the womb of a woman, and it grew in her for nine months, and then she had a natural baby. Hallelujah!

What happened there, brethren, can you tell me? GOD BECAME MAN! All because He wanted to transport His glory and power from the heavens into the human being. Now, when you receive the power of the Holy Ghost, it won’t kill you because He broke it down into a human seed, and Yeshua was born. Hallelujah! God in human flesh became the prototype of what you are becoming. God sent Jesus to become the prototype of what you are NOW becoming, because when you receive the Seed in you, the Seed is going to do the same thing in you that it did in Mary.

So God came down here, but as a man; therefore, there was a limitation. He had to come and fill this area of man (spirit/soul/body). As a living man, He could not fill the spirit/soul/body, so He said, “It is necessary for Me to go or the Comforter will not come” (John 16:7). It was necessary for Him to bleed and to die, in order to let loose in the human realm the power and energy of God which man could then take in without it destroying him. So He was crucified on Calvary.

Who crucified Jesus? Does anybody know? The Father crucified Him. All you see that they did to Jesus was caused by God. God did not charge the Roman soldier. He did not charge any but one man who got killed and went to hell for it. Why did Judas go to hell for it and the Roman centurion did not? Can you tell me why? It was because Judas received Jesus and then rejected Him. Brethren, do you know that no one, not even the worst man you see outside there, is going to go to hell unless he rejects Jesus? This is pure gospel. When you are preaching to people on the street or anywhere, remember that man cannot go

to hell unless he has heard of Jesus and rejected Him. It so happened then that God said, “His bishoprick shall be taken away,” (Acts 1:20) and so he was sent to hell.

But the centurion who presided over the crucifixion of Jesus Christ had a revelation at the cross. “That,” he said, “is the Son of God” (Luke 23:47). He saw Jesus. The thief on the cross never lived one day as a Christian but he died as a Christian. “Remember me when Thou comest into Thy Kingdom” (Luke 23:42). All of a sudden he had a revelation of the Kingdom. So many of the Christians now don’t have a revelation of the Kingdom of God.

Remember, the scripture says that if you are born again of water, you will see the Kingdom (John 3:3). That means to say that if you are born again by the Word of God, if you receive or accept the Word of God, you will see the Kingdom. But to enter into the Kingdom, you have to be born of the water and of the Spirit (John 3:5). Now, those are basic doctrines, basic gospel that you must have in order to preach to people everywhere.

Now, because Jesus had to go, He said, “I will send you another Comforter, even the Spirit of truth” (John 15:26). “He shall abide with you forever. He will lead you into all truth” (John 16:13).

Come, brethren, what is wrong, then, with our churches? Why is it that we have so many churches and everybody is preaching something else against the other? You answer me the question, but I’ll tell you what I believe. They are not following the Holy Ghost. I guarantee any religion: if you are a Catholic and you begin to follow the Holy Ghost, He is going to lead you into TRUTH. No matter who you are - if you are a Methodist - I don’t care who you are - GOD IS GOING TO LEAD YOU TO THE TRUTH.

So, don’t go against people for what they are! If a man comes to you and says, “I am a Catholic and I love the Lord,” say, “Amen, brother!” Begin to lead him into truth. By the time he gets into truth, he will look around and he will no longer be Catholic. He will walk out of Catholicism and he will go on after Jesus. So, don’t bother about what people are today! You just bother about giving them the truth. If a child is rebellious, rebels against his parents, is disobedient and doesn’t want to hear his parents, all you have to do is to lead him to Jesus, lead her to Jesus. Begin to put Jesus on them, yes, and they will come.

You are the angel of the church of Czech, of Hungary, of Ukraine. You are the angel that God has anointed and appointed to be in that spot. Don’t say, “I need to move out and go to Czech where the brethren are more lively.” God planted you where you are; stay there until light breaks through.

Now, the whole job of the Holy Spirit, therefore, is to come into you and the way that the Holy Spirit is to come into you is Spirit to spirit. Spirit can’t come into flesh. We were having meetings in one of the churches where I minister and God told us to let the brethren give their testimonies, to see where their beginnings were. One woman got up and said, “My testimony is that I was a sinner, and I went to bed one night, and I got up in the morning speaking in tongues.” The worst sinner you could ever find is one who speaks in tongues. A sinner has no right to speak in tongues, because if a sinner speaks in tongues it means that he has an evil spirit.

The Holy Ghost can only come into you if you have the Blood of Jesus Christ in you. When the Blood was shed it gave forth a spiritual power for the blood is a spiritual force. You know, everybody’s blood has an energy in it, a spiritual energy. The scientists take the blood and they put it under the infrared light and they see a pulsation in it, like something alive is in it. They wouldn’t need the infrared machine if they read the Bible, because the Bible says, *For the life of the flesh is in the blood* (Leviticus 17:11). That is why He said, “Don’t eat the animal with the blood” (Genesis 9:4). God doesn’t want you to eat “animal life.” Amen.

God, therefore, orchestrated things so that the Holy Ghost must come into you. The Holy Ghost coming into you is like the Spirit of God entering into the temple. The Spirit of God never entered into the

tabernacle from the door. He never went through the door. He came into the Holy of Holies that has no door, and the glory would be over the Holy of Holies and they knew that God was in there.

Your spirit is your Holy of Holies. As a temple, you have three parts. You have a spirit, which is the Holy of Holies; you have a soul, which is the Holy Place; and you have a body, which is the Outer Court. God does not come upon your body and make you start manifesting in the Spirit before you get saved! The manifestation must come from the Holy of Holies inside. Praise God! God comes from the Holy of Holies and *then* He affects the body.

So then, when the soul receives the life of Jesus Christ, the soul opens up to the spirit, and the Holy Ghost comes into the spirit, and then it affects the soul. That is what we call the Baptism of the Holy Ghost. When the Holy Ghost comes into the temple, first of all He takes hold of the tongue. Your tongue is the most destructive instrument on your body. When the Holy Ghost comes in, He takes hold of the tongue. You ask me, “Brother Cec, is that scriptural? Where is it in the scripture?” I will give you two scriptures.

Gideon had an army ready for battle. God said to Gideon, “I want the chosen few to fight. This army is too large for God to get any glory. I will choose the men; take them down to the water.” Remember, the water is a type of the Word of God. They took them down to the water and some of the men began to make a manifestation that was not natural. They began to lap the water like a dog with their tongue. Do you think that they were doing it willfully? They couldn’t help themselves. The Holy Ghost took charge of their tongues and made them start licking like a dog. He said, “Those who have the tongue manifestation, those are the ones, the chosen 300,” and he chose them (Judges 7).

Isaiah prophesied in Isaiah 28:11. ***For with stammering lips and another tongue will he speak to this people. 12 To whom he said, This is the rest...*** In other words, he was saying that the people who are going to receive the Holy Ghost rest of God are the people who will come forth with a stammering lip and another tongue. Remember now, the Holy Ghost has a job to perform. His job is to plant Jesus Christ in the temple.

So far, you have received the Blood of Christ or the Life of Christ, but you have not yet received the Christ Himself. I want you to chew on that just a little. You have received the Blood of Christ, the Life of Christ, which is the Life of God. You are a Christian, but you have not received the Christ Himself.

So, Paul, speaking to the brethren, said, “I travail with you as Christians, that Christ might be formed in you” (Galatians 4:19). It is like how the baby was formed in the womb of Mary - YOUR SOUL IS THE WOMB OF THE CHURCH! Christ wants to reveal Himself to the world through you. So right now, you are pregnant, and you are going to have a baby, and that baby will be the new-creation man. Jesus Christ is to come forth from the womb of the church. That is different from telling you that you are going to be “raptured,” to fly away and leave the world to the devil. This is my Father’s land. I am not going to leave it to the devils. I want Heaven to come down through me - and then all around me will become Heaven. I want to save every human being in my country and around me. That is my “rapture.” THEN I will be “raptured” out of duCille. Jesus Christ must come forth. The mind that I have here must give way to the mind of Christ. I’ll give you an idea.

None of you here, not even one of you, can willfully sin. Did you ever think of it? Can you plan that you are going to kill somebody and go out there and kill him? YOU CAN’T DO IT. But you could have done it before. You can’t do it because no child of God can willfully sin. You are foolish, you fall into sin, you fall into trouble, you fall into problems, but you cannot willfully do it because the power of the Holy Ghost in your soul has restricted the power of sin. God says in His Word that it is God’s will that no man should sin. He said, ***And if any man sin, we have an advocate with the Father, Jesus Christ the righteous*** (1 John 2:1). That means, IF you sin, you are immediately delivered from sin by the Holy

Ghost, for the sin that you fell into was already paid for. So the child of God cannot walk around with sin. It said that you can no longer dwell therein.

Therefore, we come back to these areas now. Jesus Christ wants to take hold of your mind. Where we are right now, if one of you brethren should get the fullness of Christ in your mind, all of us would turn on you and say you are crazy because you wouldn't be able to act like a human being any more. You would be acting like Christ Himself. So what is happening tonight is that Christ is coming in your mind.

Do you have Christ in your emotions? Have your emotions been completely taken by Christ? Can you still get mad? If I slap you hard enough, would you get mad? Can you still have inordinate affection? Can you still fall in love with somebody who you shouldn't fall in love with? Somebody else's wife or something like that? Then it tells you right away that Jesus Christ hasn't come there yet. You might have one foot inside. But the more you open to God, the more that God floods His glory into your earth.

The song service should be a time of praying. Did you know that? I remember what used to happen to me as a young Christian. I was in the depths of hell before Jesus saved me. I knew that I had to die and go to hell because it was just total sin and madness. Then Jesus suddenly came and saved me when I was at the point of death with the gun in my hand. So I went to church and they began to sing a song. I'll never forget this song and it always invigorates me. They would say, "I thank You, Jesus, I thank You, Lord, I thank You, Jesus, I thank You, Lord, for You have brought me out a mighty, mighty long way, a mighty long way, I thank You, Jesus..." and I would get crazy. Do you know why it affected me so? Because the moment that I started to think of the "mighty, mighty long way," I thought of the pit of hell in which I had been; I thought of the gun; I thought of the knife; I thought of the machete; I thought of the destruction. I was a walking destroyer. I always walked with a long knife inside my pants and NOBODY would fool around with me. I couldn't help myself. I was a good person at heart; I wanted to be good, but I was lost. They had another song, "I was lost, but Jesus found me," and I would dance in the Spirit and jump over all these chairs in exaltation, great exaltation of joy, because while I was singing, I was saying, "Thank You, Jesus! Thank You, Jesus!" Hallelujah! Hallelujah!

So, brethren, you can see then what we are talking about - that Jesus Christ is coming in you. What you were last year, you are not the same this year. Little by little He is changing me. Line upon line, He is changing me. Precept upon precept, until I am free. Jesus is changing me.

The temple is being built. You don't need to go to Jerusalem to build any more temples. The temple is being built in this Jerusalem. Hallelujah! Hallelujah! I am talking about the overcomers. How will I overcome the demons that I inherited in my emotions? As I was telling you last night, brethren, there were seven of us boys and nobody would fight us. We were in the west end of the city where all the bad people lived, but nobody was going to challenge us. As long as I can remember, all seven of us never had to fight at one time. We would stand up and watch one or two destroy the enemy, and we stood there as a reserve. We are talking about demons in the human soul. We did not control our souls. The demons that came from France and Africa were in us, and we were manifesting the devils that we had inherited from our parents.

It is the same with you. But JESUS is taking over where the devils dwelt. JESUS is overcoming in my emotions! JESUS is overcoming in my mind! You know, the sister said that she continually hears the demons talking to her. The Spirit of God says, "Let her take the Word of God and begin to meditate upon it day and night." He said, ***And he shall be like a tree planted by the rivers of water, that bringeth forth his fruit in his season; his leaf also shall not wither; and whatsoever he doeth shall prosper*** (Psalm 1:3). Praise God! And while we were praying for you and your wife, brother, God showed him a vision and he saw the two pastures coming together, and then a large, beautiful tree was in the midst. Yes, He said, ***And he shall be like a tree planted by the rivers of water, that bringeth forth his fruit in his season; his leaf also shall not wither.***

So then, what is happening is that we are going through a stage where the soul is being created as the dwelling place of God. Your emotions and your desires change and the beautiful part of it is that God is working on all of the areas at the same time. Do you remember the story that I told you this morning where the man took my cousin and put her feet on one chair and her head on another chair, suggested to her that she was a piece of board, she stiffened out, and he stood up on her? This is what God is talking about - if you give God your mind, nobody can hypnotize you. The music of the Beatles won't send you into a swoon, because modern music is demonic.

Do you understand me? Modern music is designed to take hold of your being and to cause you to sin. After they have listened to the modern music, they go out and fornicate. The music breaks down the ability in you to resist. I tell you what, I had been steeped in music as a young person, from as long as I can remember. As a young boy, I remember playing around with the music. Then I began to listen to classical music, and I thought classical music was the greatest thing in the world. But I found out that when I listened to a certain type of music that I was angry but when I listened to another type, I was restful.

My wife said to me one day, "Do you believe that that music is God?" I began to think about it. I used to particularly like certain tunes, like the Operetta from Marta, that Pavarotti would sing. "Marta, Marta, how thou art departed, and left my broken soul in love." I would hear that in my mind sometimes, and I would even enjoy listening to Pavarotti and those types of singers. And God came and said, "Stop it." In other words, I had reached the place of development that He could now tell me, "That classical music is no good." Every time it would come upon me, I would start singing something like, "Praise the Lord" and cut it out.

There are many things, brethren, that cannot be allowed up on this level - many things that we love. I won't expose myself any more to tell you some of the things that I used to love, but I know some of you love those things. Begin to drop them off and GOD will begin to lift you.

On the level where we are heading for now in God, He cannot allow anger. So, if you have anger in you at times, begin to hit it. A spirit is weakest when he is manifesting. When anger is manifested in you, it is the devil trying to take over your soul. Hit anger when you are angry. Come on, now. I am setting you up to kill the devil, right? Whenever you get angry, start repeating a scripture. Do you hear me? It is difficult, but do it. After you do it a little bit, the anger will go away. Praise be to God.

I haven't gone anywhere with that scripture I started with. So, I am asking you now to let us just summarize this. The Holy Ghost is working in the soul and Christ must be born in here, in the soul. Christ must be born in the soul and the more Christ comes in, the more He pushes out the devil. Let me explain to you the way that God helps you, because he does it in a very peculiar way. If you have a devil of anger in you, God will send somebody with a devil of anger to hit you. If you overcome that anger devil and don't get angry, you are lifted one bracket higher in God.

Remember now, I told you the story of how we would fight. We loved fighting. I used to really love a good fight. After I was saved, I thought I was free, but I wasn't free. When I found out that I still had anger in me, I began to fast and pray. When God delivered me from anger, I did not know but He was going to prove it to me and he sent a young man who had the same spirit of anger to just barge into me and give me a blow. Now, in the old time, I would be very happy for a condition like that, to get the opportunity to beat him up. But now I started to pray, "Lord God, help me not to hit him." He was driving at me and driving at me! I was praying, "Oh God, help me not to hit him." Believe you me, all the science of fighting came back to me while he was there fighting. He gave me a left cross; it cut the flesh off my chest from one side to the other. When he lifted up his hand to give me the left cross, the devil said, "Right jab!" The answer to a left cross is a right jab, underneath the arm. When the devil said that, my hand jumped, and I said, "No! Jesus!"

I survived, and when I survived, I began to laugh. The joy of God came in me, and I just began to laugh. The women in the office said, “You idiot! Give it to him!” They wanted to see a good fight. They thought I was such an idiot to be laughing while this man was beating me. But do you know what happened? I never had the urge to fight ever again, from that day to this day. If a man came and started hitting me, I was just sorry for him. “Poor fellow!”

You have to overcome anger, because that is in the emotions. Any man who has anger in his emotions is emotionally unstable. His wife can tell you that. You get the hint? Hallelujah! God bless you, brethren.
