

Walking through the Veil

Scripture reading: Leviticus 16:13

God Almighty is speaking to a people at this time as never before. And He is saying that we are to be the ENOCH people. We are to be the people who go through the veil. We must go through the veil! Before the priest could go through the veil in the Tabernacle, he had to make an offering. This offering was different than the one that he made out in the Outer Court. Out in the Outer Court, he killed the lamb, or the bull, he took the blood and put it in a basin. He carried the blood with him. However, in the Holy Place he was not going to kill anybody's lamb, he was not going to kill any bull. He was going to offer himself. He was offering himself for Israel, for the sin of Israel, and for his own sins. When he went into that Holy of Holies, he had to go in PURE. He took the incense, which is a type of the soul. Do you know that when the incense burns, it leaves no residue? It leaves no ashes, nothing. He took the incense and said, "*LORD GOD, for my sins, and for the sins of Israel.*" He put it on the fire and the cloud went up. The Bible says that he had to wait until it covered the Mercy Seat, lest he died (Leviticus 16:13). If you went in there and the smoke didn't cover the Mercy Seat, you were a dead man. The priest had to wait until that cloud went in and covered the Mercy Seat. Then he went in and made his offering before God.

Now, if you can understand all of that, you will understand that your soul must be offered as a sacrifice before God before you have the Enoch experience of walking through the veil. We are to walk through the veil and still remain here on Earth. God has ordained that a people will go through the veil and experience the resurrection life. We are to experience the resurrection life and still remain here on the earth. Do you understand? The resurrection life that I am talking about is that when men come to you and want to kill you, you will dare them. "Go ahead! Kill me!" The day will come when somebody will kill you. And three days after the person kills you, they will look you in the eye and say, "WHAT? DIDN'T I KILL YOU?" And you will say, "YES! But now I am alive for evermore."

Jesus took away the keys of death and hell (Revelation 1:18). So therefore, His sons cannot go into death and hell anymore. We have ascended beyond death and hell. Hallelujah! This is the place where God is bringing us. Today, God is asking a company of people to come in!

Thought for today: Before you have the Enoch experience of walking through the veil, your soul must be offered as a sacrifice before God.
