

## A VISION

I want to share a vision the Lord gave to me. I want to give all the glory and praise to the Lord.

In this vision, there were sheep grazing in a lush, green valley. There was a storm coming.

I saw a shepherd's staff. It was a very big staff. I did not see the Shepherd, only the staff. The Shepherd tapped His staff twice. Most of the sheep got on the narrow path and moved up toward the mountain in a very orderly fashion. There were some sheep left down in the valley.

After the Shepherd had tapped His staff, the grass that had been green, turned brown. I asked the Lord, "What about the other sheep?" There was no answer and I came out of the vision.
