

CHRIST THE ANOINTED ONE

by Cecil J. duCille

God bless you all brethren. It is a pleasure to be here. Thank God. He has taken us through the whole year, and has brought us back from many travels, and many dangers, toils and fears we have already come through – but we thank God to bring us back here together. The blessing of it is that we are gathered here for one purpose: We are people with one mind. We desire to hear God.

It would be soooo bad, if you come here to hear God and then you didn't hear Him, you heard something else. And very often it happens in our midst, that we don't hear God – we hear something else; but the LORD God is purifying His Body, so that nothing will come up but Jesus. In other words, there is a lot of things in us that is not Christ; but God is so purifying the Body that nothing but Christ will come forth.

I want to talk to you about Christ tonight; about the Anointing; Christ the Anointed One! Hallelujah! I don't know where to start; but let me start at the beginning, that God had the Anointing in Himself; and God wanted to have a people who would have that Anointing that God had: so that you would think like God; so that you would desire like God desires; and you would walk like God until you become completely like Him. Now, probably this is the desire that you have for your children; that they would even be better than you. Amen. But of course sometimes we fail. We don't get our desires.

But this is the desire that God had for His people. So God, wise, master-builder, (1 Cor. 3:10). He is going to take six thousand years. And after the six thousand years, within the seventh thousand years, He is going to bring forth this Mighty Christ inside of His people. It is so simple. It is such a simple plan that we should all go along with it. But, we are not exactly going along with it. We get away in ourselves, and everybody wants to express himself; wants to show **his** – you understand? **His self**! And we fail.

I have been going on for a while now, near sixty years, and **I have not seen the Body of Christ.** I don't see two people who can work together; working together, trusting each other; working together, loving each other. It is very difficult to see. You see two, and God said, "two or three" (Mat. 18:20). Then He comes and adds to that two or three, four and more. And so that is how He does it.

What has happened is that we have begun to get complacent. I don't know if you understand – you get used to a thing, and you feel as if you have **got it made**. You know, and then, in the eyes of God, you are way down there. Do you know why we feel that we are good people? Because we compare ourselves with the other people, who are no good. (Chuckle) If you compare yourself with a person who is no good, then you are pretty good.

BUT THEN, when God looks down on you, WHAT IS GOD SEEING? Is the work going on? I'm going to take you from the beginning of the work to what God wants to be.

Let's go to the "covenant". We are a covenant people. We have made a covenant with God, and this is the 42nd generation, the generation of Jesus Christ. Does everybody here understand that? Or you want a little explanation? If you look in Matthew, you will see that Matthew said, from Adam to Jesus to Christ – not Jesus – from Adam to Christ there were 42 generations; (Mat. 1:1-17). And he named them out. Right? It came to the point that I decided to count them. When you count them, you only find 41. But Paul told us that Jesus Christ begot us by the Word of His power.

**SO ~~WE~~ ARE THE 42ND GENERATION –
OR
THE CHILDREN OF JESUS CHRIST.**

So it is children that God wants, and we are the children of Jesus. Now we are then, the 42nd generation. AND this 42nd generation MUST bring forth CHRIST. What happens to those who don't? They fail. They fail by the wayside. Whatever destiny God have for us who fail, I don't even want to go into that. He said that they were outside in the darkness, saying, 'we have got oil now, we want to come in;' (Mat. 25:11). But what I am saying, is the **this 42nd generation – we are**. Don't think about anything else. **This is the 42nd generation – the children of Jesus Christ.**

Now we want to be children of Jesus Christ. Amen! And because we **want** to be children of Jesus Christ, we will put ourselves through any kind of distress – even unto death – in order that we might be like Christ. Amen! So, the things that you see happening to us – it is God making us to be like Christ. Oh Yes!

Turn your Bibles with me to Jeremiah, and Chapter 31, verse 31:

Jeremiah 31:31 "Behold, the days come, saith the LORD, that I will make a new covenant with the house of Israel, and with the house of Judah:

I want you to notice that - 'I am going to make a new covenant with the house of Israel and with the house of Judah:' He could have stopped at Israel, but He wanted to bring out the point that the covenant can only be kept in Judah. **You are Israel, but it can only be kept in Judah.** If you are Judah then you can keep the covenant – that is Christ. Now let's go on.

Jer. 31:32 "Not according to the covenant that I made with their fathers in the day that I took them by the hand to bring them out of the land of Egypt; which my covenant they brake, although I was an husband unto them, saith the LORD:

God is saying, He was, I don't know, but **MORE** than a husband to us – to the people of God. Can you imagine, approximately 3 million people are going to cross the desert? I do not know if any of you here has the experience of what a desert is? But I saw a man die out there in California. He was thumbing a ride and nobody would give him a ride, and the

heat just killed him. By evening, they picked up his body there. You cannot stay in that heat – 120 degrees, or more – it dries your whole body out. You die.

God took 3 million people, with cattle. Amen. Cows can't take that. With cattle, He took them across that wilderness. That in itself was a miracle. God covered them with a covering of cloud in the daytime, and in the night time, He was a pillar of fire. In other words, it was fluorescent light in the wilderness, shining over 3 million people, encamped out on the floor of the desert. It was the most amazing thing that ever happened. Then, if a sheep would stray, you know sheep can go astray? If a sheep would astray, that cloud would follow the stray sheep, or it would be dead. Do you follow me? A sheep would stray, and you could spot where your sheep was, because they saw a cloud out there; and you could follow it, and you could go out there and find your sheep, that had strayed.

And God gave them water, and the peculiar thing about that water is that Jesus Christ appeared to them as a ROCK. Huh? Jesus Christ appeared as a ROCK. And God told them to strike the rock first. He struck the rock and water came forth, and the people were saved. Again God appeared to them as another rock – the same rock followed them.

“But didn't I see that rock there last week?”

“Huh? The Rock is there again.”

Now this time, God said to speak to it – because he was used to striking it. He got mad with the people and he **struck** the rock. I mean, that is not the message – but I am just showing you what the husband was. They were hungry. They wanted food. All the cattle had been eaten off. They had killed all the cattle, and by the time they had reached a certain part in the journey, if you can notice in the scripture, there was **no cattle left**. So God sent down “manna” from heaven. “Manna”, they said it was like popcorn. It was like popcorn, but it was highly charged with protein, so that if you kept it over night, it would be stink. Amen. And they had their protein. Can you imagine a God doing that for people? FORTY YEARS in the wilderness, so the young ones that came, they got used to God giving them to eat. They didn't know anything about working for a living. They knew all about God falling down manna from heaven.

Then they start to murmur. “Why couldn't we get some meat?” “How we long for a taste of meat?” And God sent quail from the sea to come and drop down in the camp. so I want you to understand what the scripture says when it says that “God was a husband unto them”. THIS IS WHAT GOD IS!!!! It is not what He WAS – **IT IS WHAT GOD IS!!!**

Now, they had the first-hand experience.

Jer. 31:33 “But this shall be the covenant that I will make with the house of Israel; After those days, saith the LORD, I will put my law in their inward parts, and write it in their hearts; and will be their God, and they shall be my people.

Hear me! “I will now put the law in their **inward parts**”.

Now, I want you to understand that everything that God does, **everything that He promises you spiritually – He does it naturally.**

So a young man meets a girl and he (what we call) 'fall in love' with her, and something happens in his heart, and he comes to the time where his heart is totally, totally given to that sister. He is going up before the congregation and saying "I pledge thee my life." Those are words, but the fact is that he begins to conform to her, and she begin to become a part of him. And when they marry and have children, the children is a joint between the man and the woman. The child is neither the man nor the woman, but it is both of them. So God weld them together like a welder take a welding rod and welds something; God welds them together.

GOD SAYS – HE WANTS **YOUR** HEART. Hallelujah! He is going to plant something in your heart that changes your nature – that make you like Him; that make you love everything that He does; that make you want to be – under **all** circumstances, you are going to be like your Father.

Now, let's go on.

Jer. 31:34 "And they shall teach no more every man his neighbour, and every man his brother, saying, Know the LORD: for they shall all know me, from the least of them unto the greatest of them, saith the LORD: for I will forgive their iniquity, and I will remember their sin no more.

Blessed be to God! Now, God put this on the table. He put this covenant on the table, and He wants you to take it. And somebody took a part of it, and didn't take the whole of it. Oh yes! Because if God gets into your heart, and God gets into your mind, and God gets into your thinking – you cannot sin anymore. You cannot go out and say that I am going to sin today. Or tomorrow I am going to bring off some kind of a scam. **YOU CANNOT!** God said that such a people are **born of God. BORN OF GOD**, then He sends the Blood of Jesus Christ.

You ask the question, "Why did God have to send His blood?" "Why did God have to send His blood?" "Couldn't He do it an easier way?" "Couldn't He just bless us, and make us kids of His?"

God does everything the way that it needs to be done. Amen. **HE SENT HIS BLOOD!** And how did he transport His blood? He took out of His bosom – remember He made man. Where did man come from? **OUT OF GOD.** God had been thinking about man. God put all of the pieces together. God put every nerve together; every sinew together – **IN GOD – IN HIS MIND.** And one day, He made a clay image, statue, and He spoke what was in HIM - **///PEW///** - into the statue, and man became. Man **was not** – then man became. **AMEN.** He didn't exist except **IN GOD**; so what was **IN GOD** came out **IN THE MAN**; and **THE MAN** has all the attributes to make him like God. This is why men go to hell, because they reject – you have to reject everything that God is in order to go to hell. A person don't fall and they are going to hell – you know. A person doesn't go to hell because he sins. All of those thieves and robbers that rob you, don't let them rob you. If you can get away from them, get away from them; because they will rob you and when they finish, they will repent and go to heaven. Oh Yes! That is part of the deal. Amen.

If God can't forgive that person that hurt you, spitefully use you, persecute you, if God can't forgive him, **watch out** – you are in trouble – He can't forgive you either. But, if

you can conceive that God would forgive Hitler, if Hitler had only turned to God and asked God for forgiveness, God would forgive him just like that! After he had killed millions of people – amen.

So you see, God says now, what I am going to do with this man to make him now My Son; to make him like Me: to make him act like Me; to make him do like I do; and to make him even look like I look? Because when John saw this bright angel, he didn't know that it was one of his brothers; (Rev. 19:10; 22:9;) So the time is coming when we will look like God. So God decides that there is only one thing that man will need to make him **like God**, and that is CHRIST. Words – **Christ** is a heathen word; **Messiah** is anointing. WHAT YOU NEED THEN IS THE ANOINTING FROM ALMIGHTY GOD.

ANYTHING YOU DO WITHOUT THE ANOINTING IS WITHOUT GOD!

I see a lot of people come up here to the platform to speak and they are speaking out of different things: themselves; knowledge; whatever else; they are not speaking out of God – **the anointing is lacking. LOOK OUT FOR THAT BRETHREN.** FOR we came here to feed upon the anointing of God. That is why we are here; coming from far, you know, coming from far. Too many dangers; toiling to get here; because we want to meet with God – we want a special anointing. And He promises that a special anointing will be given when we come together in ONE. Yes! Yes! He said, I pray that they may be one, even as I and the Father are one; (John 17).

That the anointing would flow – REMEMBER NOW – that the anointing oil was poured on the head of the priest. Right? And it flowed down his garment, and right down, and the scripture says that the anointing that the priest received was a type of the oneness of the Body flowing from the Head, right down the Body and make us ONE. **WITHOUT THE ANOINTING – WE ARE NOT ONE.** And I have noticed that we have not been functioning as one.

I have prayed, and I am sad, and I am distressed; but God said that men ought not to faint, but to pray - always to pray and not to faint; (Luke 18:1). Do you hear that brothers and sisters? Men, human beings, must not faint; always to pray – regardless of what we see all around us; because what we see is not what we read in the Book. It has not come together; and we; the ministers of God, are anointed with power to help to bring the thing together; to bring people together. Because one day, Jesus Christ is going to descend with so much power that we will be lifted out of ourselves and become one with Him. This is what makes the differences with the churches.

I don't know when any of you last looked at TBN or any of those programs? They have completely forgotten **ANOINTING**. Everybody is showing his stuff – NO ANOINTING. Regardless of what they are doing – NO ANOINTING. You don't judge yourself with them, because they are finished. The **Moon Church** is in darkness; it is under the feet of the **Woman Church**, and if you are in the **Woman Church**, **DON'T LOOK TO THE MOON** for any example. Amen. Can we understand? Can we understand what I am saying? **Do not look to the church out there for any example at all – they cannot give the example.**

We are the covenant people; the people that have been covenanted in the Blood of Jesus Christ (Rom. 11:27), and somebody is having a problem with what I say. When I said **WE**, what do you think that I am talking about? Do you think that I am talking about the **WE** who are sitting in here? Somebody say the Sonlight Gospel? That could be stupid. That could be stupid to even think that. **WE are talking about WE who submit ourselves to GOD ARE the SONS OF GOD;** (Rom. 8:14). For God said, if you obey the Holy Ghost, you are a Son of God. **NOBODY** can obey the Holy Ghost **unless** he is a Son of God, or she is a Son of God.

So we are looking at what God is saying to us at this time. CHRIST the Anointed One: so then Christ is going to be the HEAD of the Church, because He is the Saviour of the Body; (Eph. 5:23). Christ is the Head of the Church; He is the Saviour of the Body. Okay. Now the Head of the Church walks in through that door – and what do we all do?

Somebody gets up and says, “I want to give a speech.”

Jesus is sitting there.

“I want to sing a song.”

Jesus is sitting there.

We have to seek and search out what God is saying when we get together, so that we do **NOT** do our own thing in the presence of the Living God – FOR WE REJECT HIM. Oh yes. We reject Him. When God is in the midst; we have come together; sit down; begin to call to heaven, so that you can receive what heaven is doing – because heaven is going to use the brethren right here, sitting here, to bring the anointing that they have received **to the rest**. AND when you talk about the **anointing**, it is in different ways. Amen. Amen. Somebody is anointed to listen; anointed to hear; (amen) and they hear more than the other people hear, although the other people should be hearing the same thing. Do you understand?

When Eleazar went to get the bride for Isaac, the first thing that he did was he took golden earrings and (put them) onto her ears; (Gen. 24:22). Amen. Because he said, if a girl comes and she says ‘I will not only give you water, but I will give your camels water also (v 14, 19,) then that is the girl that you have appointed, so **she has heard God**. You are the ones to wear the golden earrings, but you know something about the ears? Brethren, if your ears are used to hearing vanity – you cannot hear God. You cannot hear God. If you work on a construction site, and you don’t use any protection for your ears, after a while, you start not hearing some sounds; certain sounds you can’t hear anymore. **God is quickening our ears** by His nature, which is gold. Do you hear me? The more you hear God – the more you hear God. Let me put it the other way. The more you listen to God – is the more you hear God. In other words, the very fact of your listening to God, it makes you hear better. So sometimes you will say, I don’t know if it is God; I don’t know if it is my own mind; I don’t know if it is the devil. Hhmm?

You don’t know if it God; you don’t know if it is your own mind; you don’t know if it is the devil. Amen. So what do you do? ASK GOD! “Lord, did You speak to me, or was it the devil?” And God has certain ways. He says that if you believe God; if you believe God; and if you heard a voice: Brother, say you heard a voice, and you believe with all your heart that

it is God. Do you know that it is God's responsibility to let you know if it is the devil talking to you? Do you understand that principle?

I was in my room, 3 o'clock in the morning, get up to pray and heard a tapping on my bed, and the voice said to me, "My Son." And when I heard the voice say to me 'My Son', it sounds exactly like the voice of God. So I was completely deceived, and I started listening to the devil, thinking that it was God. I, with all my heart, I think it is God. Do you know what that does to God? It throws the responsibility right into His face. God has to stop that. He cannot allow it, because you are innocent, and so He intervened, and He stopped it, and He let me know it is the devil.

Brethren, you have to understand these principles; that God is doing something with you. Believe me, God is doing something with you. Remember now, He said He is going to come into you. Let us turn around to Hebrews, and there you will see, He says He is going to walk - Paul repeated the same promise here in Hebrews, so that he gave the promise to the Church that was given to the Jews. Remember that it was given to Israel and to Judah? Hebrews 8, around verse 10, I think.

Hebrews 8:10 "For this is the covenant that I will make with the house of Israel after those days, saith the Lord; I will put my laws into their **mind**, and write them in their hearts: and I will be to them a God, and they shall be to me a people:

You notice that he used the word **mind**? Anything that is in your mind for too long, it gets into your heart. That is why God says that you must be careful of what you think. For if you think too much about certain things, they get into your heart, and they make you to be what you are thinking; (Prov. 23:7). So that is why we should think on the Word of God.

Now here we come to another step with God. He said that He is going to put them in you. How is He going to put what is in God in you, so that you become like God? Now, He didn't talk about your ancestral problems. He didn't talk about your weaknesses. Do you understand? That means that this thing that God is going to do is going to destroy the ancestral problems; so you won't be a "Brown" and you won't be a "Smith" and you won't be a "Jones" - you will all be CHRIST. Your last name will be "Christ". Amen. So you are being changed from "Jones" to "Christ". But how is He doing it? He is doing it gradually. Do you know that you couldn't stand it quickly? If Jesus came in and "ZZAMM!" We would be all on the floor, dead men. He couldn't do that to us, because your mind would be shot. For the first thing, you can't retain your own mind; and have the mind of Christ. Christ begins to think for you, and when a question is asked, Christ begins to answer the question inside of you.

Okay, let's go back to **How He is doing it?** Now God took this thing out of Himself and He put it in Adam, but there was something that Adam lacked. Adam didn't have God himself. Adam had the seed of God. Let's go back on it. Adam did not have Christ. Adam did not have the Blood. Adam did not have the Holy Ghost. Adam had the spirit of a man who was involved with God. Now, if Adam had continued with God, God would get into him. God couldn't just jump into Adam, it would kill him, although Adam was sinless.

What God is doing then, He sent a second Christ, a second Adam (1 Cor. 15:47) and this Adam was Christ Himself. In other words, Jesus Christ Our Lord: He was a man; Jesus was a man. Yeshua, Yeshua was His name. He was a man: a perfect man; born of a woman; he had a mother. All right.

Now, Yeshua, the blood in Him was His Father's blood. The blood in you is your father's blood. So the blood in Him was His Father's blood. AND who is His Father? GOD! And what kind of blood is that? That blood had all the LIFE OF GOD in it. He had all the LIFE OF GOD IN HIM. Having this LIFE in Him, this LIFE was able to counteract the life of His mother. It was able to counteract the life of David, His great-grandfather, you see. And so you see, His ancestral problems never was allowed to come out. He had to fast and pray you know, forty days. What do you think the forty days fast is for? It is for breaking the powers of your natural life. Do you hear me? It breaks the power of your natural life; your physical parents; whatever you are subject to, and weak to; **it breaks that power**, forty days fasting. And I don't know how somebody could fast forty days in a desert without water, without food. The whole thing, it had to be supernatural – because I fasted for forty days, but I wasn't in a desert. Right there you get the atmosphere; you get heat and everything. Although you are not drinking water, your pores still somehow react with the atmosphere. Jesus Christ was in the wilderness, where a man could not stay for one day, without being consumed in his body. And He had His body, and He said, "Man does not live by bread alone; but by the energy that comes through God and His Word;" (Mat. 4:4; Lu. 4:4;). **The LIFE that is in the WORD OF GOD, that is what made Him ALIVE.**

So you and I, in a lesser sense, we experience the same thing; that we do not live by bread alone, because God almighty intervenes, you know, with the medication and everything else.

You know, we were sitting at the stoplight, you must have heard that I had this accident? We were sitting down at the stoplight, waiting for the light to change, in a long line of traffic; but we were at the back of the traffic. A truck came in behind us, and we all stopped. SUDDENLY, while we were talking, suddenly the whole world changed. The car took a flight and ran into another car. We realized that the truck was on top of us at the back, and everything else like that. And my neck, I thought that it was finished, because my neck went back, and the pain was so excruciating – I had to hold (my hand to my brow) just like this, just to keep my head steady. And when the paramedics came, they strapped me down. They held my head (in straps) and they rushed me off to the hospital.

This was the first time in my life that I had ever been **in** a hospital. I visit the sick, but I had never been **in** the hospital. It was the first time in my life. I'm telling you, it was an experience. But the doctors say, "Well, you are going to be in some real trouble in the days to come. You won't be able to – you will be in some real pain." The nurse that did it, she said, "If you think that you are having pain now, you wait until tomorrow." Tomorrow never came. Mavis was beside me there, and we were there praying, and she prayed with me. Yeah. One time, the pain was so great, I couldn't pray. She was praying with me.

At about 6 o'clock in the afternoon, that happened like about 2 o'clock; at about 6 in the afternoon, after the X-rays and everything, the doctors say, "You can go home." And I don't feel any more pain. Do you know what I am saying? The pain is not there. My neck

is all right. Praise God! It seems to me that we have to come closer to the Word of God; to get closer to **living by the Word of God**. Because it says the Word of God is our LIFE; it is natural LIFE; it is natural ENERGY; it is natural DELIVERANCE inside of your body. So when we can believe that, we have something of the ENERGY, the LIFE, the STRENGTH that is greater than what we can get from our natural food. Praise God!

We see here then, God making one more step. He has to give you what Adam never had. God has to give you that which Adam did not have. So Jesus came, and He had to get rid of His Blood, for His Blood contained the LIFE of ALMIGHTY GOD.

Mavis was in the hospital sick with Malaria. The doctors said that the Malaria germ was eating up everything that they could put in her. They gave her hemoglobin, they gave her this, they gave her that; everything was being eaten up by this monster, and she was now unconscious. We went in there and we said, "God, touch her blood with Your blood." Where did that come from? Must have been from the Spirit, because the moment that we asked God to touch her blood with His blood, IT WAS DONE: and she walked out without any problems in her brain. I mean, after you have had a 105° "plus" fever for days, the doctors thought that boy, her brain must be gone; so they send a psychiatrist to talk to her. They just come talk to her asking her her name and everything else. But GOD DID IT! And we have it right here before us – **GOD DID IT!** and **GOD CAN DO IT NOW** – for Bruce, if we believe, and if God will do. You see, because we still have to see if He will do it.

Now here we are then, that this thing that Adam lacked, God decided to give us. You say "Brother Ces, How did you know?" I know because in Revelation 21 (v.19,20;) He told us that there were twelve stones that make the complete man. In Ezekiel (28:13;) He told us that nine stones made the complete man. So the man that was complete in Ezekiel would not be complete in the time of Revelation, because **AFTER SUCH A TIME, I WILL NOW PLANT MY SPIRIT IN YOUR HEART, AND IN YOUR INWARD PARTS.**

NOW, here is our problem. After this implantation, are we going to obey the Spirit that is within us; or are we going to still function in the world and do our own thing? And obey our own instincts? This is the problem! And this is the problem that I find in the Church. I can hardly get two brothers to function together, without their personalities clashing. One wants to do it **this** way, and the other wants to do it **that** way. **What is the way that God wants it? THAT IS THE WAY THAT WE WILL GO!** That's what!

In other words, God is creating BODY, BODY, BODY, BODY! Have you ever considered the word "BODY"? Why did they use it in scripture? **Because a BODY is a thing that functions under A HEAD!** ONE HEAD! Your head can't function my body. Hhmm? Well, I'll take back my word, I've seen something like that done – it must be in the occult or what ever, but I have seen it done. Somebody took over another person's body. My cousin, a man suggested to her that she is a piece of board, and the woman became a piece of board. She just lie down with her head on one chair and her feet on that (other) chair, and the man put something (over her) and stood up on her and gave his lecture. And when he brought her out of it, she laughed, and said, "See, I told you that you couldn't do it." Everybody laughed because we knew what had happened. She didn't know; she was completely gone. The man just took away her mind. So that's another story.

But what I am saying is that I believe that God wants us to function under one head. NOT under my head! NOT under your head! **BUT UNDER HIS HEAD!** The first thing that hurts me, is when I come into service sometimes – I don't see God being honored. HONEST – I don't see God being honored. If the Spirit is moving here; if the Spirit is moving – I am not going to stop it! No matter how strong a Word I have – I am going to let my WORD WAIT. Do you know that the scripture said it? It says that if one person is speaking, like my giving a message; and somebody comes up with a prophetic word – the man who is speaking must stop and let the other go through; (1 Cor. 14:30). Amen. That is what the Bible says. And that is how we should understand, but we are like we don't understand.

I know that we understand a lot of scriptures; but the function is what beats me. I do not see the Body functioning as a Body. Amen. I am not a carpenter, or a half-baked carpenter, and if I have a carpenter job to do, I shouldn't be going and struggling with it. I should call somebody who is a carpenter and say, "Can you do this?" We do that in the natural, don't we? God wants it in the spiritual. Sometimes something is in a meeting to be broken – a spiritual problem. Do you know that you walk around with spiritual problems? Huh? Satan bound you up at home, and you come into the meeting, and the meeting is designed of God, that when the Spirit of God moves, **every bondage** should be broken. AND you come in here with that bondage. You need help! God has provided the help in the Body. BUT unless the Body is functioning under the HEAD, the poor person will go home bound up the same way.

So God Almighty is speaking to us. Brethren, let us become conscious of the presence of God in our midst, and **reverence – YES REVENENCE – AFRAID to do anything that would disrupt the Spirit of the Living God.** I don't know if you understand, but I found out that people don't understand with their minds anymore. That spiritually, if you ears don't have on those golden earrings; you are going to hear, you will hear, you hear, you hear, you hear, AND you NEVER HEAR! You will hear for years and all of a sudden, (YOU HEAR). It amazes me; I was preaching to someone. All the while, I am preaching the same thing. One day the person says, "I've got to talk to you. I've got a great revelation.!" I said, "Let me hear it." It is the same thing that I have been saying for years; and the person got the revelation – they never heard it before. Amen. Hallelujah! (chuckle)

That is – we are talking about the anointing. We ministers brethren; as a matter of a fact, we are all ministers; don't leave your house without the anointing. GET TO GOD! I would prefer to see you late to service, than to come in here without the anointing. GO TO GOD before you come here and say, "Lord God, Lord God, work through me tonight. Let it be that I bring some deliverance to the meeting."

Let me tell you, there were seven candlesticks. They were like this, all seven of them. And all of them, they light together, they lighted the tabernacle.

Now do you know that you carry a light with you? Do you know that you carry a light with you?

You come in here **DULL** and you carry a darkness; (Mat. 6:23).

You come in here **BRIGHT** and your candlestick is burning brightly; (Mat. 5:16).

And all the other candlesticks that are burning – the **LIGHT COMES TOGETHER**. Amen.

You see these (ceiling) lights, if you take off any one of them, you will miss the light right away. The amount of lumens that is in this room would be decreased.

God is saying to you **“LET YOUR LIGHT SO SHINE!”** When He says **“LET YOUR LIGHT SO SHINE”** it is **FAR beyond something that you can understand**. Do you know why? If a spirit comes in through that door – he sees light, and if we are all lighted, he can't come in. And those who have come in, with people who are bound to them – he has to leave, for the light is too great for him. Amen.

The songs are beautiful. When we start to sing, it is beautiful. **BUT REMEMBER** – it is the words. **IT IS THE WORDS THAT MATTERS!** It is not the beauty of your voice, or the great melody of the music - **IT IS THE WORDS THAT MATTERS!** And when these words begin to bombard; begin to bombard the spirits – THEY WITHDRAW. I can see some of them outside, waiting to take you back. Did you know that?

There are spirits outside there, who could not come in here, because of the glory of God that is around us. HIEE! And they are outside there waiting for you to come out, and they **jump on you** as you come out. **DETERMINE** in your hearts that when you get through this door, that you will not allow any spirit to take you. And if a bad thought comes to you about the people of God, or about anything – you just **CRUSH IT**, right away. Let the Blood of Jesus Christ take a hold.

Let me finish this story. So then, God wanted the Holy Ghost to come in you, because there is something about the Holy Ghost that you need to know. The Holy Ghost has CHRIST in Him. Do you notice the two stones in Revelation (21:20)? One was chrysoprasus, and the other is chrysolite. Both of them have **CHRY**s. Amen. Chrysoprasus, chrysolite, AND one is Holy Ghost, and one is CHRIST --- BUT Holy Ghost and Christ is the SAME. **You cannot divide God**. Father, Son and the Holy Ghost are the SAME – except that the one that is manifesting is the Holy Ghost, or the one that is manifesting is the Christ. Now, the Holy Ghost bears the seed of Christ. Your soul is the womb, just like He planted the seed in the womb of Mary, He is again planting the Christ Seed in human souls.

Is it hard to understand? Let me say it again then! When the angel came to Mary, Mary thought “poor me, I am nothing”, you know. And the angel said that “God is going to give you a son, and you shall call his name Yeshua”. And Mary said, “All right, let it be.” RIGHT! SHE HAD TO OPEN – and the moment that she opened her heart, what happened? The angel left. If the angel had planted the seed, she would bring forth an angel. The angel had to leave. And the Bible said that the “Holy Ghost overshadowed her”; (Luke 1). AMEN! And when the Holy Ghost overshadowed her, the CHRIST was planted in her, natural womb.

When we have been overshadowed by the Holy Ghost: in our meetings; singing; preaching; praying together --- CHRIST is being planted in our hearts, or call it your soul

there. The seed is planted there. Now the seed, it has to be nourished, and Paul said, I travail with you, until Christ be formed in you; (Gal. 4:19). So Christ is multiplying. At the time when Mary received it, there was only one Christ; Jesus Christ Our Lord. Now Jesus has begun to multiply. Is it hard to understand? **Jesus has begun to multiply in YOU.** AND He is planting the seed in YOU, & in YOU, & in YOU, & in YOU.

NOW we talk about the coming of Jesus! We are talking about the birth. We are talking about a pregnancy that is coming, and when the fullness of time is come – the woman must bring forth. No longer Woman Church. When we bring forth, we will bring forth Christ in the Church as one entity. I won't have to come to you and to said, 'Can you come and play the piano today?' You will have the message long ago, because it is in you as well as in me. Can we understand that the work that is being done is asking – God is pleading with you for your cooperation. **FOR if the woman does not feed the child, the child will not come forth.** I'm going to say a bad word, aborted. Hhmm? Can you understand? Brethren, can you see the truth? God is speaking something here. God is saying that He longs to have Christ come forth in you. So many other things are coming forth. So many other things are **poisoning** the child, that are inside of you. God wants the temple to be cleansed. God wants us to give up everything that Christ may be formed in us.

Don't stand up for your rights any more if it is going to hurt you spiritually. Yes. Anything that is going to hurt you spiritually, don't take it. Amen. Yes. Can you see where we are tonight then? We are in a little trouble, because after nine months, a child must be born. You know. A child can't stay there. I have never heard of a ten month baby, have you? (laughter) I don't know of a ten month baby – I know of a woman who was pregnant for two years. But do you know what happened? What do you think happened? She brought forth nothing. It was a satanic business.

But what I am trying to say to you brethren is that we are at the verge of time, and at this time, the child must come forth. You are singing "Oh Mighty Christ Come Forth In Me", what are we saying? **What are we saying?** Are we going to give up that mindset that we have? Are we going to give up our identity? Our individuality? Our **I am**? Are we going to give it up? God Almighty is pleading with the people – because **if you don't** you will be like the foolish virgins, out in the wilderness. When the Manchild is born, God Almighty has to send protection to keep them from killing you. Can we understand?

It is a thing that God is asking the Church to do. I can tell you about it, but I can't impress it upon you enough. I see it. I see it for myself. Amen. I see that we need to fix the temple, so that the Christ will come in. If Jesus Christ sent to you and said, I am coming to your house, for dinner tomorrow." What would you do? Man alive, you would get down and you would scrub; you would call in a crew of cleaners, and you would do all kinds of things. You would put up the flowers, you would get everything arranged, because **this GREAT CHRIST IS COMING IN.** And I am telling you Sir; Ladies; and Gentlemen; the blood of Jesus Christ cleanses us from all sin. The Holy Ghost **cannot come in** where the Blood **ISN'T.**

Do you remember when Jesus Christ said to the disciples; He said, "You will receive the Holy Ghost after you are saved"; (Act 1:8). You have to be saved before you receive the

Holy Ghost. Why? Because you have to “**LET IT BE DONE UNTO ME**”, open up, accept Jesus. Once He comes – the first thing that you get is the BLOOD comes in; and the BLOOD cleanses the temple. Do you remember in the old ancient temple – before, in the Day of Atonement - they would kill a red heifer? Do you remember the story about the red heifer? They would burn him; burn him to ashes. Then they would take the ashes and put them in water and cleanse the temple; **not only with the blood, but with the whole heifer**. AMEN. **GOD IS TALKING ABOUT YOU!** Before this Day of Atonement can come, **this** red heifer must be sacrificed. The Body of Christ must be burnt, and turned into ashes, and cleanse the temple so that God Almighty can come in. Hallelujah! Hallelujah! Hallelujah!

Hallelujah! May God help us tonight. May God help us tonight. Amen. Brother Davis, can you come up here; Brother David; come see if you can sing “Oh Mighty Christ Come Forth In Me”. Let us hear somebody get on the piano, and let us put our hearts there.

Do you understand what we are talking about? It is the Christ – remember, you have the Blood. Amen. You have the Holy Ghost. Now you want the Christ to be birthed in you, and that Christ will destroy everything in you that is you; that is family; that is sinful; that is human. And Christ will come forth. Amen.

Almighty Christ Come Forth In Me

Almighty Christ come forth in me
My will my way I yield to Thee
The barren sing a fruitful song
Oh praise your name
It won't be long

Almighty Christ come forth in me
My will my way I yield to Thee
The barren sing a fruitful song (travailing song)
Oh praise your name (Yahwey)
It won't be long

The woman is beginning to have the first signs of travailing, and let us sing, instead of a fruitful song, a travailing song. Let us try it again, and let us really pray while we sing it, to ask God to cleanse the temple.

Almighty Christ come forth in me
My will my way I yield to Thee
The barren sing a ~~fruitful song~~ (travailing song)
Oh praise your name (Yahwey)
It won't be long

There is a spirit of yielding to God in our midst. God is again pleading with His people to yield to Him. The areas of resistance and stubbornness in the hearts – God is saying that - we must yield to Him – that He breaks down every barrier. Let everyone here call upon the name of the Lord, and ask God to break through – to break down the barriers that have been set up over the years, in: our hearts; our own way; our own desire. Hallelujah!

He has sent messengers.

We don't obey them.

We don't believe them. Hallelujah!

We must do our own thing. We feel that we are all the same, and therefore, we do what we want. **BUT in the Body, there are different functions; and different movements by the Spirit of God.**

You know, I thought of one thing. I have never seen any of my internal organs. I have never seen any of them. But they seem to be working all right. Amen. Praise be to God. This is the Spirit work. So God is saying to us, even as we can trust our lungs to work, our heart to work; let us begin to trust God – to do the work in us – that we will have no spot or blemish or wrinkle left; (Eph. 5:27). Hallelujah! Hallelujah!
